Sgt. 1st Class John E. Daniels of Elba a member of B Bry, 2nd Bn, 117th Field Artillery in Elba was one of 98 Alabama Army National Guard members to attend an annual NCO Academy Officer (NCO) Course at the Alabama Military Academy here Sept. 14-14.

Broken into basic, advanced and senior courses, the program of instruction is designed to upgrade knowledge and skills exercised by the NCO in leadership roles in the Army community.

The course is one of two advanced and one basic course conducted for approximately 275 students during the period Sept. 5-24. These three courses will make a total of 25 conducted since 1977 with more than 1,500 NCOs graduating.

Sgt. Maj. William D. King, Birmingham, is director of the NCO Academy. Col. Charles A. Pigg, Millbrook, is commander of the Alabama Military Academy.

The course of instruction at the NCO Academy encompasses a broad range of subjects taught in both classroom and field environments.

A cross section of areas covered by the curriculum includes leadership and ceremony, a leadership reaction course, relationship with the community, military justice, maintenance supervision and physical training.

A day at the Academy starts with physical training at 5:30 a.m. and continues through 7 p.m. with study hall or night classes often running through 10 p.m. Some field exercises are conducted during the day.

Graduation criteria requires an academic average of 70, satisfactory completion of an Army physical training test and satisfactory observation reports by drill instructors.

William D. Hughes, District Conservator for Coffee County has been appointed to the Economist position at the Soil Conservation Service's State Office at Auburn, Alabama. The appointment is effective October 3, 1983 according to State Conservator E.V. Todd.

Hughes' experience in helping the farmers of Houston and Coffee Counties will provide a basic understanding of all programs in agriculture. "We are pleased to have a person with his background and knowledge in this position as an Economist," stated Charlie Hughes, Area Conservator.

Hughes is a native of northwest Florida and has received a Bachelor of Science Degree and Master

Degree in Economics from Auburn University. He was employed in the Houston County Field Office in 1974 and then transferred to Coffee County in 1975. He has remained with the Soil Conservation Service since that time and has received the U.S. Department of Agriculture's Certificate of Merit in 1975, 1979 and again in 1981. He has taught Economics at Enterprise State Junior College, is a member of Kappa Delta Pi, Phi Kappa Phi, and Gamma Sigma Delta. He is a member of Deacon at Hillcrest Baptist Church, a member of the National Association of Conservation Districts, a member of the Alabama Conservation Chapter farmer at Kinston and Enterprise FFA. Brainstorms

With Ferrin Cox

Politics seem to have won at Alabama State University. President Robert Randolph handed in his resignation Saturday after a lengthy closed door meeting of the board of trustees. The students and faculty were still standing by their leader, but the board wasn't. We hope the politicians get whatever they want, but not at the expense of the taxpayers or the youngsters who go there thinking they will get an education that is adequate to equip them to compete in this world.

The weather has been simply beautiful for several days now. The cooler temperature gives a hint that fall is around the corner and the sunny skies make a wonderful combination. The only sour spot in our thinking is that it means winter will be here before many weeks.

We have listened with little interest as opponents of Secretary of the Interior James Watt clamored for his removal from office. We felt that some of the things he was doing really should have been done. However, after his latest round of running off at the mouth, maybe President Reagan can't afford to defend Watt, even though he is supported by one of Reagan's biggest financial backers. Even this country boy has more sense (or class) or whatever, not to brag that I hired a "cripple". That is redneck talk and not fitting for a person in one of the highest offices in the nation.

We were surprised that a circuit judge even considered the lawsuit against the proposed new Alabama constitution. We were even more surprised that he didn't announce his decision Monday, but put it off until Friday. Time is running out on the governor's office to get the matter on the November ballot, and if the court holds it up much longer, Representative Rick Manly will win his lawsuit without the judge even voicing an opinion.

Fans of the Atlanta Braves apparently are going to "wait until next year", as it becomes more and more apparent that the Dodgers are going to be No. 1 in their division. Not being a real baseball fan, this wouldn't normally mean a whole lot to me, but the folks around my house get to pulling for the Braves, getting mad with their opponents, etc., and I wind up getting involved myself.

A loyal Auburn fan pointed out to this country boy that Auburn wasn't the only team from the Deep South that Texas had beaten. He said (I guess he is right) that they also defeated Alabama the last time they met in a bowl game. We are sure sorry about that . . . both victories by the Longhorns . . . but aren't going to lose any sleep over the matter 'cause it wouldn't pay our grocery bill if both scores were reversed.

We were listening for some good fishing reports last week since the weather was pretty and the moon was full. All we got was one story from one of Elba's fishing experts about the big one that got away, and Postmaster Bill Bullard's report of catching more crappie at Eufaula than he could possibly eat. We asked our good postmaster if he was telling the truth and he repeated his story . . . 81 crappie I think!

We received a picture and a short note from Miss Dawn Smith from her home-away-from-home right now in Duluth, Minnesota, where she is competing in the national Miss Teen of America event. She will miss her duties as Elba High cheerleader captain Friday night, but assured us she will be thinking of the Tigers and will be on the telephone keeping tabs on her success.

The Elba Jaycees are moving forward with their plans for a canoe/raft race on the Pea River this Saturday. Some members of the team entry from the Elba Methodist Church youth have made comments indicating they couldn't be beat! We couldn't get anyone to speak for the record, but there was some indication of a general feeling that there wouldn't be any competition from the Baptist because . . . well, you know.

DEATH

Ribb Ollington Hussey, age 84, of Route 1, Elba died suddenly at home on Sept. 28, 1983.

Funeral services will be held on September 29, at the Victoria Baptist Church with the Rev. O. L. Stroud, Elba, as officiating minister. Burial will be in the church cemetery. Haynes Funeral Home will be directing. Larry Doster will be officiating the services.

Miss Bradshaw — Mr. Bane United In Holy Matrimony

Kimberly Bradshaw and Stuart Foster Bane were united in marriage September 24 at three o'clock in the afternoon at Westside Baptist Church in Elba. The Rev. Billy Henderson officiated the double-ring ceremony.

The bride is the daughter of Mr. and Mrs. Tim Bradshaw. Her grandparents are Mrs. Sarah Morrow and the late Mr. Hubert Morrow, and Mrs. Velma Bradshaw and the late Mr. Fleming Bradshaw, all of Elba.

The groom's parents are Mr. and Mrs. Foster Bane. His grandparents are the late Mr. and Mrs. Bascom McCord and Mr. and Mrs. Willie Bane, all of Elba.

Hurricane lamps tied with apricot ribbon lined the walkway leading to the entrance of the church. Hand rails leading to the porch held sprays of bay leaves with apricot ribbon. The sanctuary doors were adorned with wreaths tied with apricot and paprika bows, banded with bay leaves and natural wicker wedding bells.

Guests were registered by Pam Williams, cousin of the bride. The registry table was covered in a paprika skirt with an ecru cutwork overlay. The bride's wedding book and a white feather tip pen, a gift to the bride, were placed on this table. A tall brass candelabra held three tapers and an arrangement of tiger lilies, dogwood, daisies, forget-me-nots and fern in the bride's chosen colors of apricot to paprika.

Paige Morrow and Darren Stevens, cousins of the bride, passed out scrolls bearing a message from the bride and groom, to each guest.

The choir chancel was banded with bay leaves. Focal point was accented by candelabra holding ivory tapers across a cut arrangement of white mums, white glads, apricot poppies, paprika gardenias, tiger lilies, dahlias, eucalyptus, white carnations and leather leaf fern tied with a paprika bow. Spiral candelabras were used on either side of the sanctuary. In each window was a candelabra holding two tapers, banded with bay leaves and tied with paprika bows. Pews were marked with a single candelabrum holding a crystal votive cup with an apricot candle tied with a paprika bow.

Candles were lighted by Eddie Vaughan and David Baker. A program of nuptial music was presented by Mrs. Ella Kate Ham, pianist, and Mrs. Janet King, organist. Vocalists Debi Williams, cousin of the bride, and Lynn Hudson sang "Sweet, Sweet Spirit" after the grandmothers were seated. Debi Williams sang "And There is Love" after the mothers were seated. During the ceremony Lynn Hudson sang "Whither Thou Goest" and Wayne Webber sang "The Lord's Prayer". After the ceremony, the vocalists continued the celebration of love in song with Lynn Hudson singing "If I Debi Williams singing "We Have Only Just Begun" and Wayne Webber singing "My Tribute".

The bride was given in marriage by her parents and escorted to the altar by her father. She wore a white gown of knit chiffon. The Queen Anne neckline was framed with re-embroidered lace sprinkled with iridescent sequins and seed pearls. The natural waistline was emphasized with re-embroidered lace in front and a satin bow in the back. The sheer leg-o-mutton sleeves featured a lace flounce at the elbow, lace motifs and a narrow lace cuff fastening at the wrists. Wide bands of re-embroidered lace topped the cascades of chiffon ruffles flowing from the hemline into the cathedral train. Her fingertip veil of illusion flowed from a sequined re-embroidered lace headpiece.

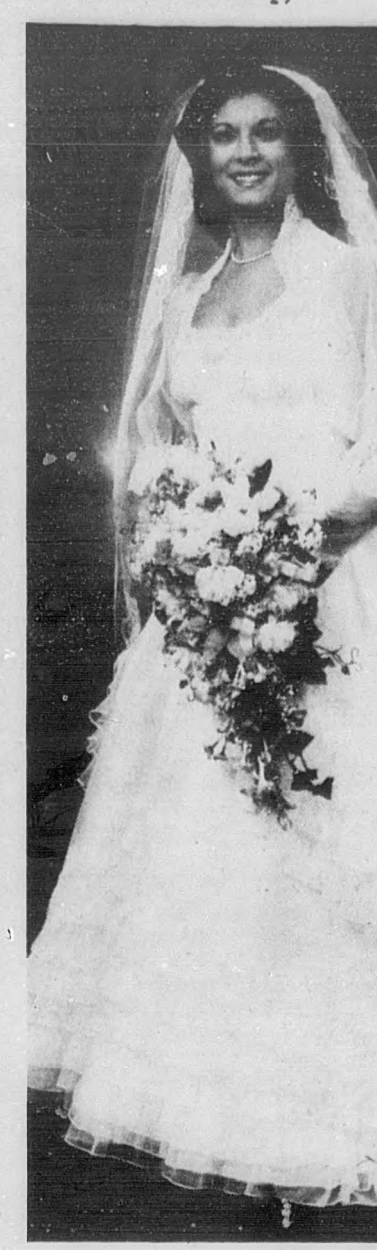

The bride carried a cascade of white carnations, apricot tiger lilies, white stephanotis, lilies of the valley, forget-me-nots, peach blossoms, daisies, white orchids, baby's breath and ivy. A handkerchief borrowed from a cousin of the bride, Dawna Goffrey, and an old silver dollar given to the bride on the day of her birth by her aunt, Jo McDowell were tied into the bouquet to carry out the

groom. The bride wore a floor-length Victorian gown of beige, semi-sheer polyester crepe knit. The dress featured a lace yoke outlined by satin ribbon, deep ruffles edged with lace complete with bustle back.

The mothers wore corsets of apricot dahlias tied with apricot ribbon. Mrs. Morrow, maternal grandmother of the bride, wore a lovely spire gown of knit with attached flowing chiffon cape, empire waist and swing skirt. A self-rose accented the V-neckline. Mrs. Bradshaw, paternal grandmother of the bride, wore a camisole bodice with matching jacket. The jacket was accented with ruffles around the neck extending to the bottom of the jacket and around the bottom of the fitted sleeves.

Paternal grandmother of the groom, Mrs. Bane, chose a pale blue floor-length gown of soft polyester cotton. The dress featured a high neckline, full long sleeves and gathered skirt with layers of tucks on sleeves and skirt.

The grandmothers wore white orchid corsages. The groom and his attendants were entertained with a luncheon on Saturday, September 24, in the home of Mrs. Ted Vaughan.

bowl. This table was attended by Beverly McCall and Regina Hudson. The bride and groom toasted each other with silver goblets given to them by Mr. and Mrs. Dan Morrow.

The groom's table was covered in a rust skirt overlaid with an off-white cross-stitched tablecloth. A two-tiered chocolate cake adorned this table with a pyramid of fresh fruit consisting of pineapple, grapes, strawberries, cantaloupe, honeydew melon and watermelon. This table was attended by Mrs. Pansey Andrews, Mrs. Ella McCord, aunts of the groom, and Mrs. Ann Bullard.

A table covered with off-white linen overlaid with an apricot Army-Navy, held many trays of delicacies. Tonya Bryan, Scarlett Rhoades and Aleah Hudson attended this table.

Mrs. Eleanor Gaimore, Mrs. Doris Matthews, Mrs. Annie Mae Lee and Mrs. Ruth Mack served as floating hostesses for the reception. Tables adorned with off-white linen tablecloths with apricot ribbon streamers and ivy surrounding brass candle holders and apricot candles inside crystal globes, provided places for guests to enjoy the occasion.

For traveling the bride chose an off-white two-piece suit with a paprika blouse and matching shoes and bag. Her accessories included the pearls worn with her bridal gown.

The groom chose an autumn brown, two-piece suit, a wedding gift from the bride, for traveling. After a brief trip to the Gulf Coast, the couple will reside at Rt. 4, Elba.

Mrs. Henrietta Grimes and Mrs. Barbara Hudson directed the wedding.

PRE-NUPTIAL PARTIES A dinner party was given by the groom's parents, Mr. and Mrs. Foster Bane, in the Westside fellowship hall following the wedding rehearsal on September 23. Hostesses were Mrs. Ted Vaughan, Mrs. Ronald Andrews, Mrs. Joe Martin, Mrs. Mack Donaldson, Mrs. Felix Donaldson and Mrs. Glen Donaldson.

The groom and his attendants were entertained with a luncheon on Saturday, September 24, in the home of Mrs. Ted Vaughan.

Carr — Morrow Wedding

Erna Merle Carr and Shelby Thomas Morrow Jr. were united in marriage at Zion Chapel Baptist Church September 3, 1983. The four o'clock ceremony was performed by Rev. Henry F. Morrow, brother of the groom.

The bride is the daughter of Mrs. Lucius Nathaniel Carr and the late Mr. Carr. The groom is the son of Mrs. Shelby Thomas Morrow Sr. and the late Mr. Morrow.

Upon entering the church guests registered in the bride's book which was placed on a stand given in memory of her father.

The bride was given in marriage by her brother, Mr. Jace Carr, of Troy. She wore a white street-length dress featuring a lace-appliqued Victorian collar and wide lace cuffs. Her bridal bouquet consisted of blue silk roses with white daisies and was arranged upon a small Bible which belonged to her father.

Miss Sue Jackson of Montgomery, sister of the groom, served as maid of honor. She wore a street-length dress of blue taffeta. Serving as best man was Mr. Paul Morrow, brother of the groom.

Mothers of the bride and groom were escorted in by grandsons Ken Owens and Mason Morrow. Organ music was provided by Mr. Phillip Morrow, brother of the groom. Mr. Bill Owens, brother-in-law of the bride, served as candlelighter.

RECEPTION A reception following the wedding was held in honor of the couple by the groom's family in the home of Mr. and Mrs. Paul Morrow. Other hosts and hostesses were Mrs. Shelby Morrow Sr., Mr. and Mrs. Harold Johnson, Rev. Henry Morrow of Elba; Mr. and Mrs. Phillip Morrow of Jonesboro, Arkansas; and Mr. and Mrs. Seth Snellgrove of Montgomery.

The groom's nephews, Morgan, Mason and Matthew Morrow, and Jay Johnson shared in the occasion. Guests were greeted by Mr. and Mrs. Paul Morrow and were received by the bride and groom and their mothers.

Mrs. Bill Owens and Mrs. Bobby Parker, sisters of the bride, served the bride's cake. Guests were invited out to the deck for the groom's cake, served by the sisters of the groom.

Punch was served by Mrs. Jerry Lindsey and Mrs. Daniel Peters, nieces of the bride. Mrs. Jimmy Cook, Miss Kara Carr, Krystal Owens, Tiffany Parker, Tasha and Carman Lindsey, Christina Cook, nieces of the bride; and Mrs. Jace Carr, sister-in-law of the bride, assisted in serving.

The reception poems and deck were highlighted by the creations of Mr. and Mrs. Phillip Morrow.

After a wedding trip to Callaway Gardens, the couple resides in Elba.

PARTIES Miscellaneous Shower Miss Edna Carr, bride-elect of Mr. Thomas Morrow, was honored with a miscellaneous shower Monday night, August 22, in the fellowship hall of Zion Chapel Baptist Church.

Guests were greeted by Mrs. Wayne Rugg and directed to the registry table which was covered with a

Mr. and Mrs. Morrow

blue undercloth and overlaid with white lace. On the table were the bride's book, a feathered pen and a silver vase holding an arrangement of white carnations, white baby's breath and leatherleaf fern. A blue bowl, complete with the bride's chosen colors.

Gracing the center of the table was a silver punch bowl resting on a large silver tray. Tiny white satin wedding bells, blue flowers and greenery were placed on the tray at the base of the punch bowl.

Silver candelabra holding burning blue tapers were placed on both sides of the punch service. Additional silver trays held an assortment of dainty party favors.

Miss Laura Lou Barker and Mrs. Ramona Grantham assisted with the refreshments. The many lovely and useful gifts were displayed on long tables covered with white and white cloths.

For the occasion Miss Carr was dressed in a beautiful dress of printed silk. She wore a corsage of white carnations given her by the hostesses.

Assisting Mrs. Rugg with this delightful event were: Mrs. Louise Bozeman, Mrs. Carolyn Smart, Mrs. June Brown, Mrs. Paula Black, Mrs. Pam Flowers, Mrs. Nell Kelley, Mrs. Seresia Adkinson, Mrs. Ramona Grantham, Miss Laura Lou Barker, Mrs. Ethel Henderson, Mrs. Madge Johnson, Mrs. Erma Green and Mrs. Carolyn Westbrook.

Lingerie Shower A lingerie shower was given in honor of the bride Monday, August 15, in the home of Mrs. Lynn Cook. Hostesses for the occasion were Mrs. Cook were Mrs. Eloise Pope, Mrs. Diane Taylor and Mrs. Henrietta Martin.

Guests included Mrs. Gladys Carr, Mrs. Edna Morrow, mothers of the bride and groom; Sue Jackson, Kathy Arbogast, Nancy Morrow, Becky Snellgrove, Faye Johnson, Merlene Owens, Kate Carr, Karla Carr, Dottie Parker, Carolyn Mooney, Eron Russell, Katrina Calhoun, Cindy Jacobs, Lynn Hudson, Christine Jacobs, Laura Barker, Deloris Marsh and Joan Ward.

Kitchen Shower The bride-elect was honored with a kitchen shower Sunday, August 21, in the home of Mrs. Bertie Boland with Mrs. Linda Mills assisting as hostess.

Those enjoying the occasion with the honoree were Mrs. Gladys Carr, mother of the bride-elect; Mrs. Tim Bradshaw, Mrs. Pam Baker, Mrs. Nancy Morrow, Mrs. Lena Bell Weeks, Mrs. Faye Johnson, Mrs. Teresa Kirkland, Mrs. Trudie Rachel, Mrs. Voncil Lord, Miss Sue Jackson, Mrs. Merlene Owens, Mrs. Gloria Jinnight, Mrs. Elaine Bryan and Mrs. Katherine Hysmith.

Correction!

The CLIPPER note at the end of an article on the life of Mrs. Bertha McDonald in the September 15 issue, Page 4, was in error. Mrs. McDonald is the daughter of L.A. Lindsey and Alice Pletcher Lindsey. Judge Rowe officiated at the marriage of Mrs. McDonald. THE CLIPPER regrets this error and is happy to make the correction.

Prichard At Church Of Christ

Mr. Bob Prichard, new minister at Elba Church of Christ, has been in Elba for a month, and already he says "It's a good place to raise a family, and everyone is very friendly. We really like it here."

His family consists of wife Sharon; daughters Melissa 10 and Jennifer 8, and son Nathan, age 3. The family comes to Elba from Jacksonville, Alabama, where he was campus minister for Church of Christ at Jacksonville State for two years. He has served the church in Kannapolis, North Carolina, and as youth minister in Memphis.

A believer in education, Mr. Prichard received his BS at the University of Alabama, his master's at Harding School of Religion in Memphis, has done graduate work at the University of North Dakota and Jacksonville State University (Alabama), and is now working on his thesis for a Master of Theology from the Alabama Christian School of Religion.

The Prichards are originally from Jacksonville, Alabama.

What will it mean to be left behind? In Matthew 25:1-13 we have the parable of the 10 virgins; five of the 10 had made preparations for the coming of the bridegroom, five had not, so when the hour came they were not ready; they had no oil. When they bought oil and returned it was too late, they could not get in. They were left behind, the bridegroom said he never knew them.

We know that Jesus is coming back. When he does it will be for those that are left behind; therefore, what will it mean to those left behind?

1. It will mean that God's love, grace, and spirit will be gone. A. The spirit of God is what comforts you in time of sickness and sorrow. B. The spirit of God is what comforts you in time of loss and grief. C. The spirit of God is what comforts you in time of loneliness. D. The spirit of God is what comforts you in time of sorrow. E. ALL AROUND COFFEE COUNTY

CRD COMMITTEE

Coffee County's Community Resource Development Committee is making plans for this year's Farm-City Week observance. The 1983 Farm-City Week observance will begin on November 18 and end on Thanksgiving Day, November 24.

The committee, headed by Chairman Martin Moates, reviewed plans which include the following activities: (1) special Farm-City Week observance in the Elba Rotary and Lions Clubs and the Enterprise Kiwanis, Rotary and Lions Clubs; (2) young farmers banquet; (3) retired agricultural workers dinner; (4) commodity producers recognition; (5) tour for special students in the Enterprise system; (6) the Little Misses Farm-City Week activities will be coordinated by Raynell Johnson of Goodman.

STEM CANKER

Dozens of Coffee County soybean fields are infested with stem canker. This disease, which has been in north Alabama and northwest Florida for a number of years, is damaging beans this year for the first time. Soybean plants will usually show a yellowing and browning of leaves. Most of the discoloration will occur between the veins in the leaflets.

Cankers also form on the main stem in the junction where the leaf connects to the stem. The lesions may run several inches up and down the main stem. When you slice the stem lengthwise, you'll notice that the pith or center of the soybean plant has turned brown.

There is no control for stem canker, but Dr. Bill Gasaway of Auburn University has specific recommendations for preventing it. He recommends not planting soybeans in the same field year after year and also using stem canker resistant varieties.

BEAUTIFUL TREES

Jack Wise and Ralph Sharpless are two Elba Christmas tree producers who are enthusiastic about prospects for the upcoming Christmas tree season. Jack talked with Ralph and Jack this week, and they told me they have hundreds of beautiful trees. Coffee County folks won't have to go far to get high quality trees this year.

A number of other people in the county are also growing trees, some of which will be of market age this year.

It's good to see the trend back to real trees rather than the artificial types.

SAFETY

President Reagan had set September 18-24 as National Farm Safety Week.

Occasionally, I write about the dangers of allowing children to ride on farm tractors and equipment. Some Coffee County farmers think that if they have a cab on the tractor, it is safe to let children ride with them. There are numerous examples nationwide of young children being killed when they tumbled out of the cab. In one case a three-year-old was apparently holding to the cab door handle and released the latch. An 11-year-old boy died when he was crushed beneath a tractor driven by his mother. He was standing on the tractor near the seat and fell under the tractor.

There is a reason for cautioning tractor drivers. A tractor is designed for one person only. You're taking a big chance when you let a little one ride on that tractor with you! It only takes a split second.

PECANS

Interested in pecan production? Richard Murphy, Assistant County Agent in Houston County, is inviting interested Coffee County pecan producers to a meeting on Friday, October 7. The program will begin at 9:00 a.m. and will end at noon and will be held at West Gate Park in Dublin.

Participants on the program include Auburn University staffers Bill Goff, John McVay and Larry

Thomas C. Casaday

Curtis. Equipment dealers will also be on hand. Goff will discuss growing pecans in the Wiregrass which includes site selection, varieties, fertilization and harvesting. Entomologist

HOUSEPLANTS

With the cooler weather, many of us will be moving our houseplants inside. It would be a good idea to check these plants closely for any type of insects that may have gotten started on them during the summer. Light infestations of insects can be controlled by hand removal or the use of cotton swabs dipped in alcohol and rubbed on the leaves.

Heavy infestations will probably require chemical control. Before buying or applying an insecticide, read the label and apply only those chemicals labeled for your particular plant. Observe all safety precautions.

MOLES

I was reading an article that was written by Ronald Shumack, Horticulturist-Omnamental, and he gave this suggestion for controlling moles. Moles have a taste for Wrigley's Juicy Fruit Gum. When they swallow the gum, it sticks in their digestive system and eventually they die.

Ronald goes on to say, "I don't know if this works. If it doesn't, chew the rest of the gum yourself."

There is no research to back this up.

The National Titleholder will be selected from among 50 candidates at final ceremonies being held at the Duluth Civic Center Auditorium in Duluth, Minnesota, on October 1.

CHINESE CHESTNUTS

These are delicious nuts to eat "as is" or they can be roasted. If you are counting calories, one half cup of shelled raw Chinese chestnuts give less calories than do most other nuts.

A homemaker called a few days ago and said her husband had brought in a huge pack of chestnuts. She wanted to know how to freeze them. Here is how to freeze the nuts. Put the nuts in boiling water and boil for 15 minutes. The heat causes the shells to crack. Remove the nut meat from the shell and remove the brown skin. Let dry before packaging in moisture vapor proof freezer containers.

Nuts chop easier if this is done while they are still warm. You might want to chop some for the freezer this way. They are good in the freezer for about 12 months.

COOKING FOR ONE OR TWO

It's a real challenge isn't it? But there are some ways to make it easier. Buying smaller packages or cans is a big help although larger ones are more economical. If food

goes to waste as a result of larger items, then it is not a savings.

So many of individual servings of instant foods are available such as grits, oatmeal, pudding, fruits, etc. I had a professor in college who lived alone and prepared large quantities of food at one time. She divided the food into individual portions and froze it like TV dinners. This way she always had a frozen meal she'd prepared. One dish meals can be done the same way.

KITCHEN FIRE

When small grease or electrical fires flare up in the kitchen, turn off the heat and unplugging the appliance if possible. Stand back and toss generous handfuls of baking soda at the base of the flames. But use caution! In a deep-fat fire, don't toss the soda into hot oil; the sudden release of carbon dioxide may cause spattering. Instead, slide a lid on the fire. You might find this a good idea. Make you a fire pail. Simply pour baking soda into a 1-lb coffee can, cover, label it, "Fire Pail." Also include the fire department telephone number. Keep pail in your kitchen.

Elba's open date last week gave me a chance to take a breather, and I'll need it, because the Tigers still have games in Greenville, Ashford and Andalusia. Those are long road trips for a home-body like myself!

TIGERS SWING BACK INTO ACTION

The Elba Tigers will put their unbeaten record on the line this week when they travel to Greenville, and it will be interesting to see how the off-week affected the team. In recent years the open date has helped Elba get over injuries and work on problems, but this year the open date came after a big win over Opp, and the team was ready to go. Oh well, when schedules are made up, you never know what's going to happen.

Don't let Greenville's 3-2 record fool ya - they could easily be 5-0 and headed back to the playoffs! T.R. Miller beat 'em on a long pass that was nothing more than a miracle, while against Atmore two big turnovers led to both scores. This Greenville team is just as good as ever, and the Elba Tigers will be facing quite a challenge. It ought to be quite a game, so don't miss it!

By the way, Greenville still doesn't have many bleachers, so you'd better leave early if you want a good seat.

THINGS PICK UP FOR COUNTY SCHOOLS

The three county schools must have been glad to get home last week, as two teams posted big homecoming wins. New Brockton scored "at will" early and then pulled 'em off in pouncing Flomaton 35-12. The Gamecocks went into the game filled with injured players, but reached down for that old "Gamecock Pride" and claimed an easy win. Maybe the win was just what the doctor ordered!

Zion Chapel bounced back from three straight losses to roll over Straughn 30-6. The Rebels, the mystery team of the local IA scene, must have finally put it all together! The Rebs may be 2-3, but they aren't that bad of a team.

Kinston could generate no offense at all last game, this time to Samson 14-0. The Bulldogs hung tough, as they have all season - they just couldn't pull off the win. The Dogs could be heading for an 0-11 season!

STILL SOME SURPRISES IN AREA FOOTBALL

Week number five of the '83 season is now history, and there were a couple of surprises last week, as always. Here is a quick look at Week 5...

***Eufaula took on 4A power Jeff Davis and got shelled 34-0. Eufaula is a 3A power, no doubt about it, but they're a long way from being in Jeff Davis' class, because the game wasn't as close as the 34-0 score sounds, and it sounds pretty bad!

***Who would've believed it? The Opp Bobcats lost to Ashford last week 12-7 and now stand at 0-5. Opp was a pre-season pick to win the Area - now they'll be happy to go just 5-5.

***Enterprise had no trouble at all in defeating Ozark 30-14. The Wildcats are growing teeth every week and could be ready to attack the playoffs before long.

***Troy had to battle before edging Daleville 14-6. The Trojans aren't blowing people away, but they're winning and that's all that matters. Meanwhile, Daleville slipped to 0-4, which means it could be a long season for the Hawks.

***Andalusia posted a solid 24-14 win over Abbeville and could be putting it all together. The Bulldogs started slow, but must have gotten hungry, because they're running now.

***T.R. Miller remained unbeaten with a 31-14 win over Brundidge. Miller is off and running and is headed for a collision with Atmore, with the winner headed for the playoffs.

***Cottonwood ripped up Louisville 39-0 and could be a team to watch in 2A circles. The Bears have had no trouble thus far and don't plan on slowing down.

***And, watch out Nebraska! Ft. Deposit claimed a rare win by destroying Hayneville 83-0. The Red Devils have been a joke in recent years, but got the last laugh last week!

Elba VS. GREENVILLE

Greenville has whipped up on the Tigers the past two

Elba Tigers put unbeaten record on the line Friday night against Greenville

The Elba Tigers will swing back into action tomorrow night (Friday) when they travel to

Greenville to battle the always tough Greenville

Tigers. Elba will carry a 4-0 record into the contest, while Greenville is 3-2. Greenville wins came over Georgianna 25-0, Monroe County 13-8 and Southside 33-7, while the losses came to T.R. Miller 24-22 and Atmore 10-0.

"Greenville has got a very good 3A team," stated Elba's Coach Mack Wood, "the only difference is a lack of experience compared to last year's club. The defense is very quick and the offense could be great if it puts it all together. No doubt Greenville is the best team we've faced."

"On offense," added Wood, "they have a lot of talent, including a big

fullback, a good quarterback, a couple of fast receivers and a big, strong tight-end. They blitz all the time. Greenville, but also use a wing and a double wing. Their offense is the most balanced we've faced and they don't give you any indication what they're going to do. To stop 'em at least slow 'em down, we'll have to play better in the middle than we have. We'll have to control the line of scrimmage and stop the fullback or he'll kill us! Our down linemen, linebackers and ends will have to play extremely well and our secondary will have to be alert because they're deep 4 of 5 times a game. It will be a challenge."

"The only difference in their defense is in

experience," added Wood. "They are still quick and love to hit, and they stunt and blitz all the time. Greenville, will try to take away what you do best and they can do it. Our offense will have to do a super job of blocking their schemes and picking up their going to do. To stop 'em at least slow 'em down, we'll have to play better in the middle than we have. Our offense will have to do a super job of blocking their schemes and picking up their going to do. To stop 'em at least slow 'em down, we'll have to play better in the middle than we have. We'll have to control the line of scrimmage and stop the fullback or he'll kill us! Our down linemen, linebackers and ends will have to play extremely well and our secondary will have to be alert because they're deep 4 of 5 times a game. It will be a challenge."

Westside Baptist Church jumped out to an early 7-0 and rolled to an easy 16-4 win over Elba United Methodist. The Methodists pulled within 7-4 in the second-inning, but Westside poured it on late to claim the win.

Tom Dyess, Danny Baxley and Rachel Moore all got 3 hits to pace Westside while Gordon Free, Ricky Mulars and Stan Lewis all added 2. Mark Vaughan and Shiloh pushed across a run in the final inning to edge Zion Chapel Baptist 8-7. Zion Chapel Baptist rallied from an early 7-2 deficit to pull even at 7-7, but Shiloh scored last to pull out the win.

Ed Oakley got three hits to pace Shiloh, while Randall Pouncey and Kevin Smith both added two. Dennis Dean got three hits for Zion Chapel, while Ben Amlog got two.

Woodland Grove led all the way to blast United Methodist 13-3. The Methodists trailed only 4-3 early, but couldn't keep pace and lost by the big score.

Glen Johnson got three hits for Woodland Grove, while Ken English, Van Johnson and Greg Johnson all added two. Mark Vaughan got two hits for the Methodists.

Happy Homecoming as Rebels blast Straughn

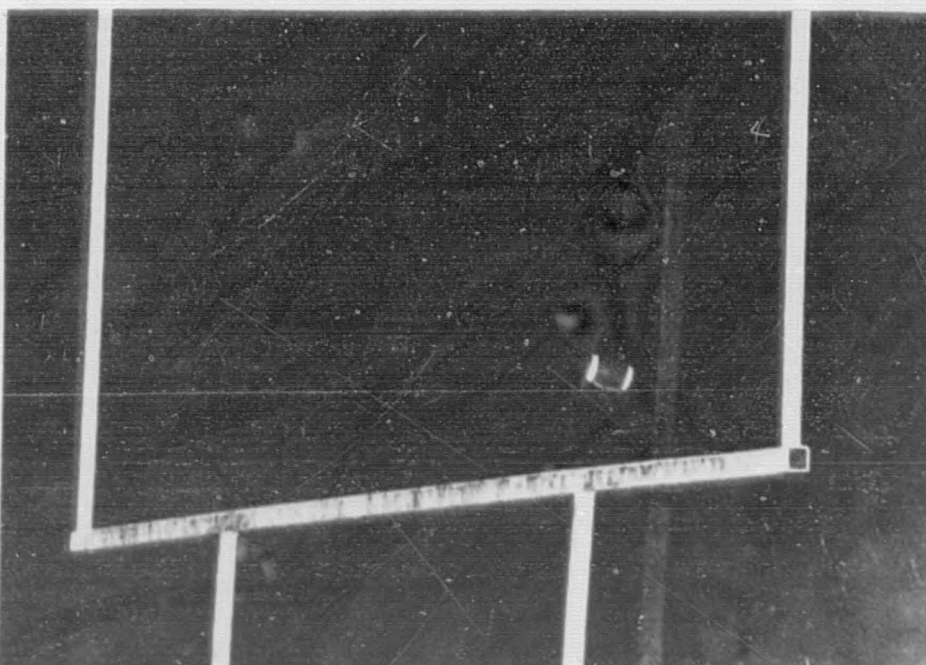

READY TO GO! Zion Chapel players Mark Storey (50) and Craig Flowers (51) burst through the victory banner prior to the kickoff.

3 POINTS . . . The football sails over the goalpost to give Brantley a 3-0 lead. The field-goal was kicked by Jimmy Tisdale.

The Zion Chapel Rebels celebrated Homecoming last week by rolling to an impressive 30-6 win over the Straughn Tigers.

The win upped Zion Chapel's record to 2-3, while the loss left Straughn with a 1-4 slate.

The opening stanza was a standoff for much of the quarter with both teams displaying hardhitting defenses. The Rebels began a drive late in the quarter and drew first blood when Doyle Smart raced 30-yards for a touchdown! Michael Hill ran in the two-point conversion to give Zion Chapel an 8-0 lead with 2:20 left on the clock.

A 20-yard return of a Staughn punt by Doyle Smart put the Rebels right back in scoring position and Zion Chapel quickly added to its lead when Smart rambled 38-yards to paydirt. Michael Hill kicked the extra point to give Zion Chapel a 15-0 lead with 9:44 still left in the half.

Neither team could mount an offensive threat for the remainder of the half and when the Rebels headed into the locker room at halftime they went in with a big 15-0 advantage.

Zion Chapel received the second half kick and wasted no time added to its lead as Doyle Smart fielded the kick at the 23-yardline and raced 77-yards for a touchdown! Michael Hill ran over for the two-point conversion and with only seconds gone in the second half it was Zion Chapel 23 Straughn 0.

The Rebels held Straughn on the ensuing possession and drove goalward again.

Brantley stuns Luverne 10-6

The Brantley Bulldogs continued their winning ways last week as they upset the Luverne Tigers 10-6, in a cross-county grudge match.

The win upped Brantley's record to 5-0 while the loss left Luverne with a 3-2 slate.

Luverne couldn't move on its initial possession, but backed the Bulldogs up when a punt was downed on the Brantley 5-yardline. A 15-yard scamper by Ray Christian got the Dogs out of the hole, and a 24-yard run by Marvin Booker and a Luverne penalty put Brantley quickly across midfield. A 34-yard run by Keith Dorsey gave the Dogs a first down on the Luverne 7 and it looked like Brantley would run out of the stadium. The drive bogged down, however, and on field-goal attempt sailed wide, leaving Brantley empty-handed after a fine 92-yard march.

Neither team mounted another drive until early in the second quarter, when Luverne drove to a fourth and one situation at the Brantley 32-yardline. The Tigers could go no further; however, as on the fourth down Brantley's Donald Burnett pounced on a fumble to kill the march.

The Bulldogs pulled a little trickery on the ensuing series as on second down Mike Coleman took a pitch-out, pulled up and lofted a pass to Jimmy Tisdale. The pass play covered 50-yards

and gave Brantley a first down on the Tigers' 15-yardline. The Luverne defense toughened following the long pass and knocked the Bulldogs back, but this time Jimmy Tisdale came in and calmly booted a 35-yard field goal to give Brantley a 3-0 lead with only 2:58 left in the half.

Brantley's fans were still celebrating the field goal and the 3-0 lead when Tisdale kicked off, however, the cheers quickly switched sides of the field as Luverne's Joe Parham pulled in the kick on the Luverne 41-yardline; however, two fumbles slowed the Brantley drive a third stopped it, when Luverne's Scott Brown recovered the bobble on the 20-yardline.

Luverne kept the ball in the air late in the game in an attempt to catch-up, but the Brantley defense was up to the test and held on to ice the victory.

Gamecocks turn Hurricanes into drizzle, post easy 35-12 win

GAMECOCK QUARTERBACK Jon Paul Sawyer fires a pass during New Brockton's easy win over Flomaton.

The New Brockton Gamecocks gave a large Homecoming crowd plenty to cheer about last Friday night as they rolled to an easy 35-12 win over the Flomaton Hurricanes.

The win upped New Brockton's record to 3-2, while Flomaton fell to 1-4 with the loss.

New Brockton won the opening toss and gave the crowd a preview of things to come by promptly driving 56-yards to paydirt. Mike Haynes and Greg Haggan took turns running thru the Hurricane defense, with Haynes notching the score on a 25-yard scamper. The extra point failed, but the rout was on as the Gamecocks led 6-0 with 7:59 left in the opening stanza!

New Brockton got the ball back on a punt only three-plays later and wasted no time in adding to its lead, when on the series second play Greg Haggan broke loose and raced 76-yards for a touchdown. Mike Haynes tacked on the two-point conversion and with 4:06 left in the first quarter the Gamecocks led 14-0.

New Brockton's Scotty Lee fell on a Hurricane fumble on Flomaton's next series and this time it took the Gamecocks six-plays to cover the 50-yards to paydirt. The score came on a 28-yard run by Mike Haynes on the final play of the quarter and Derek Smith added the p.a.t. upping New Brockton's lead to 21-0 with three quarters still left to play!

Flomaton couldn't move on its next possession and again punted the ball away, with New Brockton taking over on its 38-yardline. This time it took the Gamecocks only one play to score as Greg Haggan raced 62-yards to up the Brockton lead again. Smith's p.a.t. was good, making the New Brockton lead 28-0 with 9:55 left in the half and turning the game into a laughter.

Neither team could cross the goal line for the remainder of the half, as at intermission the Gamecocks went in with a 28-0 bulge.

The score remained at 28-0 throughout the third quarter as Flomaton began to show signs of life, and the Hurricanes finally hit the scoreboard early in the final stanza. The scoring drive covered only 20

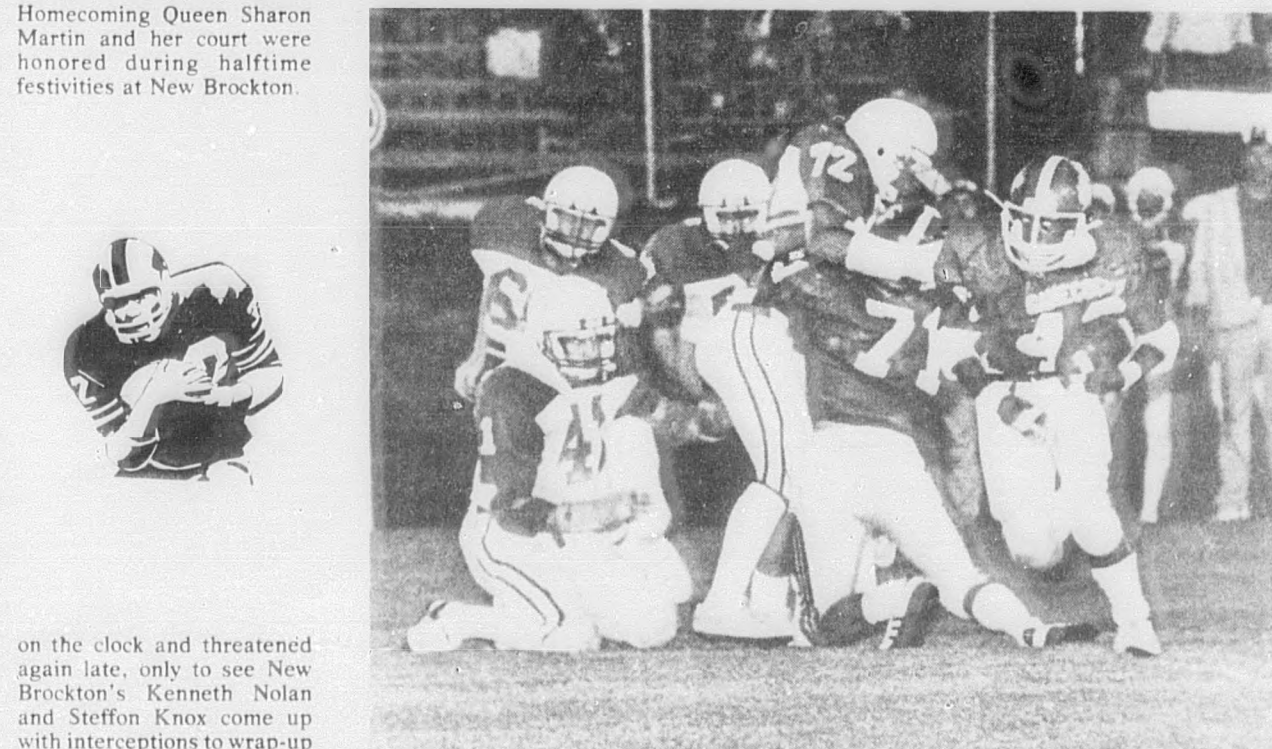

yards, following a short Gamecock punt, and came on a 2-yard play. The p.a.t. failed, but with 9:05 left in the game New Brockton's lead had been cut to 28-6.

New Brockton's Tracy Wilkinson recovered an onside-kick on the ensuing kick-off and the Gamecocks put the game out of reach with another score. Mike Haynes did most of the work on the drive, gaining 24-yards, while the score came on a 14-yard touchdown pass from Jon Paul Sawyer to Kenneth Nolan. Smith's p.a.t. was good, giving the Gamecocks a 35-6 lead with only 6:36 left in the game.

Flomaton added its final score on a pass with 4:30 left

Homecoming Queen Sharon Martin and her court were honored during halftime festivities at New Brockton.

GAMECOCK SPEEDSTER Mike Haynes (42) cuts behind the block of Phil Smith (71) enroute to a big gain in the win over Flomaton.

Kinston drops 14-0 battle

The Kinston Bulldogs finally played a home game this past Friday night, but the outcome was the same. The Samson Tigers scored

two touchdowns in the second half to take a hard-fought 14-0 victory. This was the fifth straight loss of the season for the Bulldogs, but

they continue to show improvement with each game. The two teams locked into a real hard-hitting defensive

battle in the first half. Neither team came close to scoring until late in the half when the Tigers drove deep only to fumble the ball away to the tough Bulldog defense. There was a total of five turnovers during the first half, four by Samson and one by Kinston. The Samson turnovers came on an interception by Glen Barnes; an interception by Ronald Thorn; an interception by Joel Hill and a fumble recovery by Paul Folmar. The Tigers' take-away came on an interception by Leon Wise.

The Bulldogs again gave the ball away or their second possession of the second half as Pat Hogan fell on a fumble at the Kinston 17-yard line. Leon Wise carried three straight times for the Tigers, the last being a nine-yard jaunt into the endzone. Tim Revels kicked the point-after to make the score 7-0 with 5:31 to go in the third quarter.

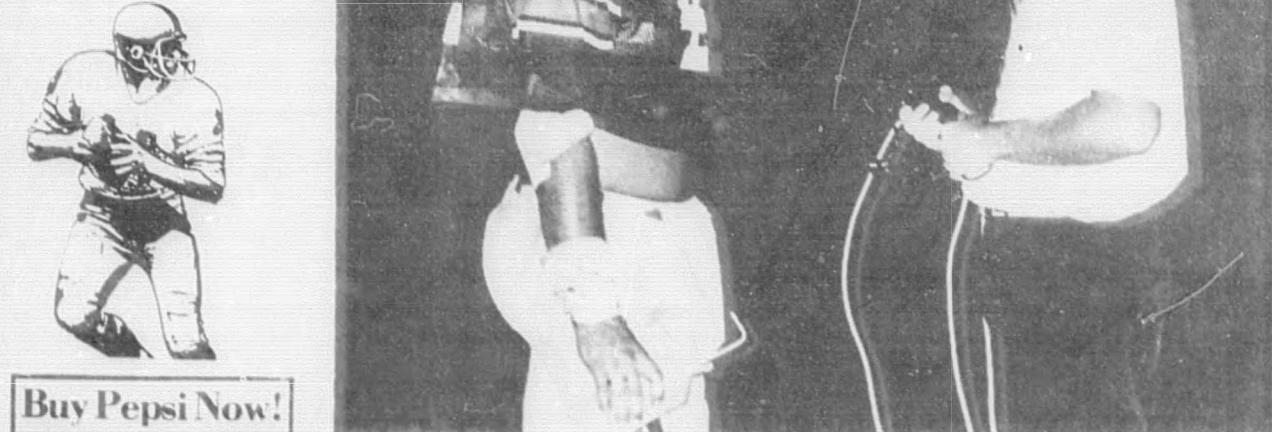

Kinston took the kickoff and drove to the Samson 40-yard line, but was again unable to keep the drive alive. A Bulldog punt rolled dead on the Tigers' 14-yard line and this was where Samson took total control of the game. They took the ball

and marched 86 yards in 18 plays, all on the ground, with the touchdown coming on a three-yard burst by Leon Wise around right end on an option play. Tim Revels again added the extra point to round out the scoring at 14-0 with 5:36 to play.

The Bulldogs had the ball for only three snaps in the fourth quarter. The first was a one-yard gain for Alvin Henderson; the second a fumble recovered by Pat Hogan; and the third an interception by Willie Harrison.

Seafood Festival To Be Held

The Panama City Beach Seafood Festival Committee recently announced that applications for food booths at the 1983 Seafood Festival will be extended to all interested parties. Previously, the Committee has limited applications to a radius of 100 miles of Panama City Beach, but a lack of response from local residents has prompted the change. "We can't feed the crowd we expect with the food booths we now have," commented Food and Beverage Chairman Billy Still, "and we've been turning down applications from out of state and from South Florida."

The continuous entertainment program is impressive. In addition to Grand Old Opry star Carl Perkins, local bands playing include the Randam Band, Capt. and the Kidd, W.C. Doan, Sugar Creek, J.C. Clevins, Justin Washington, Nye Brothers, Mac McCormick, Downtown Country and Country Cowboys.

Come join the fun October 6th and 9th. It starts at 10:00 a.m. -- come and stay for the day.

Fall Color Festival At Canyonland

The Fall Color Festival at Canyonland Park Oct. 15-16 may be one of the best places in the state to see the vivid shades of autumn leaves.

Little River Canyon, located near Fort Payne, is the deepest gorge east of the Mississippi River. A 1,480-foot-long chairlift ride takes you gently to the bottom of the gorge.

The DeKalb County Tourist Association has planned something for everyone during this year's festival. Highlights will be an arts and crafts display, an antique and classic car show, arcades, amusement rides, paddle boats, cloggers, live music and food. Visitors are encouraged to bring their own picnic baskets and enjoy fishing from Little River or hiking the canyon's many trails.

The park will open at 10 a.m. and close at 6 p.m. both days. Admission will be charged but children under 12 will be admitted free.

Canyonland Park is on top of Lookout Mountain, off I-59 between Alabama highways 35 and 68. For more information about the festival, contact Pamela Williams, DeKalb County Tourist Association (205) 845-3957.

New Brockton Beta Club Meets

On September 6, 1983 the New Brockton High School Beta Club held its first meeting of the 1983-84 school year. Presiding over the meeting was Carla Hornsby, president. Other officers include: vice-president- Sandra Reynolds, secretary- Brenda Anderson, treasurer- Tim Fleming and reporters/historians- Jana Burkett and Cindy Henderson.

The old members gave suggestions for fund-raising projects in the up-coming year. It was decided that the club would sell carnations on a one-hundred dollar bill and would also sell carnations for Valentine's Day. Upon the initiation of new members after the first nine weeks, the members decided to participate in the Homecoming parade with an entry, and the president opened the floor to suggestions for the informal initiation for new members. The meeting was closed with a mutual agreement that the Beta Club would be recognized as an honorable institution on the campus of New Brockton High School.

Blakely

Bluegrass

Festival Oct 1

Bluegrass lovers from Alabama and the Florida area will flock to Historic Blakely Park in Baldwin County Oct. 1 for the fourth annual Blakely Bluegrass Festival. Bands performing that day include: Stunk Posey and the River Band, White Sands Panhandle Band, Highpoint Ramblers and the Washington County Cut-ups.

Proceeds from the day-long festival will go to the Alabama Sheriff's Boys and Girls Ranches for the new Boys Ranch to be constructed soon in south Alabama. Popular caterer Bill Bayley has volunteered to provide the food with profits to go to the Boys Ranch.

Historic Blakely Park is located just off AL 225 about 16 miles south of I-65 along the eastern edge of the Mobile Bay Delta. The park road is 4 1/2 miles north of Spanish Fort which is near I-10.

Visitors are advised to bring blankets or folding chairs, since park benches and tables are usually occupied early in the day. The festival will begin at 10 a.m. and continue until dusk. Food and beverages will be available. For more information, contact Historic Blakely Park, Route 4, Box 179, Spanish Fort, AL 36527, or call (205) 626-0798.

Ft. Rucker

FROCE To

Hold Meeting

FROCE will hold its first FY 84 meeting on 5 October 1983, in the multi-purpose room, Recreation Center.

The meeting will begin at 1200 hours with COL Davis Clark, Deputy Installation Commander as our guest speaker. COL Clark will discuss the impact of the reorganization, school model and branch concept on the civilian workforce. Mr. Daniels, OCP and Mr. Auman, EEO will also be present to give updates in their areas. All interested personnel, both civilian and military, are welcome.

Card of Thanks

We want to express our sincere thanks for the love and concern shown to our husband and daddy during his sickness and to us during his death.

A special thanks to Dr. Cooper for taking such good care of him, over the years. Also, to the hospital and nursing home staff for their gentleness and thoughtfulness. We would also like to thank Hanes Funeral Home. Every act of kindness will always be remembered.

Debris from a 1971 Maverick driven by William Richard Jones lies in the road some 20 feet from the car. In the picture below, the 1976 Gremlin driven by Robbie Hall sets on the curb, where it came to rest following the accident.

One Killed In Monday Accident

Robert Lawson "Robbie" Hall, age 18, a 1983 graduate of Zion Chapel High School, was killed Monday morning, October 3, in a two-vehicle accident that occurred approximately 8 miles north of Elba on Highway 87.

Also injured in the accident were Leland Rex Wyrosdick, age 36, of Elba, a passenger in the car driven by Hall, and William Richard Jones, age 32, of DeFuniak Springs, Florida, driver of the second vehicle. Wyrosdick was admitted to Elba General Hospital with multiple injuries while Jones was treated and released.

According to Jones, he was traveling north when the vehicle driven by Hall crossed the center line and continued on an angle across the four-lane road. Jones stated he attempted to swerve away from the oncoming car; however, it was too late to avoid the collision.

State Trooper R.W. Whitworth investigated the accident.

End Of Proration Will Bring Over

\$300,000 In Education Funds

The Coffee County Board of Education met in regular session Friday morning, September 30, at the Kinston High School Library and heard Superintendent of Education John W. Vaughan report that the elimination of proration would mean almost \$200,000 in extra funds to the county school system.

"As most of you have heard," declared Vaughan, "proration has been eliminated! This will bring \$194,000 in additional revenue to the county school system and will wipe out our indebtedness."

Supl. Vaughan added the recent cut in proration brought \$111,000 to the system, and when added to the latest figure, it meant the elimination of proration resulted in \$305,000 coming to the system that wasn't expected.

While the discussion centered around money, Vaughan reported on total "extra" funds received that will help pay for the construction of the Kinston Elementary School. These funds, which included per pupil funding (asbestos removal), discretionary funds for capital outlay, interest on a certificate of deposit and added funds from the elimination of proration, added up to \$841,000. This amount, according to Vaughan, is more than enough needed to build the school.

"We have examined the plans of the Kinston school," he said, "and have been able to cut \$15,000 - \$18,000 in expenses. The cuts will not affect the quality of the building and will not change its appearance. The new elementary school will be something

we'll all be proud of."

The changes included modifications to the air conditioner controls; elimination of two movable walls (now to be constructed locally); installation of fixed windows in place of expandable windows; and elimination of 11 skylights.

Construction of the school, which will contain 14 classrooms, has already begun, with the school expected to be open for the 1984-85 school year.

If all goes according to schedule, the county will have five new buses on the road by mid-November. The chassis have been delivered to Bluebird, according to Vaughan, and are expected to be delivered by November 15. The buses will be 66-passenger vehicles and will be joined to 25 other buses serving a total of 30 regular routes.

The county's garbage problems have reached the county school system, and Vaughan said, "Like it or not it looks as if we will have to get into the garbage business."

The school board was told the schools in Kinston and New Brockton could be serviced by the cities, but at the present time no garbage collection

service was available to Zion Chapel, New Hope and Goodman.

"We could ask local residents to help in the rural areas," said Board Chairman Frank Britt. "They could help carry the garbage to the landfill, or maybe a farmer has a place in which he can bury it."

Vaughan summed up the board's sentiments when he said, "It is the commission's responsibility to provide garbage pickup - it is our responsibility to educate the children."

The subject of asbestos removal was again discussed and the board was informed an architect was currently completing plans to remove asbestos from two classrooms in Kinston. Cost of the removal is estimated at \$21,000 and the work will be done during the Christmas holidays.

In other action at Friday's meeting, the school board:

***Adopted minutes of the previous meeting as read;
***Received a "letter of appreciation" from the faculty of the Area Vocational School for providing students with a computer system;
***Discussed a problem that occurred at New Brockton High School concerning a visitor; and
***Discussed personnel matters.

Members of the Coffee County Board of Education are Frank Britt, Bill Bolland, Harrell Carroll, Tom Dyess and Preston Kelley Jr. and all were present at the meeting.

County Not Liable For Damages Against Sheriff

A recent Attorney General's opinion could save the Coffee County Commission several thousands of dollars, should a lawsuit filed against Sheriff Brice Paul be upheld.

The suit involves a state inmate who

was released from the Coffee County Jail on a "special pass" to visit his family, and while out, stabbed an Enterprise man. The stabbing victim might also be held liable in any judgment awarded the victim, against the sheriff.

Judge Confident That Service Will Resume

Residents of rural Coffee County find themselves without door-to-door garbage pickup this week; however, Probate Judge Marion Brunson is optimistic that the service will be resumed soon across the county.

"We have been contacted by several people interested in picking up garbage in the county," Judge Brunson said this week, "and I hope at Monday's (October 10) commission meeting proposals will be presented. I am optimistic that we will be able to keep the collection service going. I know the people want it and need it!"

Brunson reported rural residents are now hauling their garbage to the landfill and added, "We haven't heard many complaints. The people understand the problem we face and are willing to help."

It was originally thought the garbage service would not be disrupted, but Tom Jones, a private contractor who bid on the service, was unable to obtain financial backing and was forced to withdraw his proposal.

Monday's meeting of the Coffee County Commission will begin at 9 a.m. at the courthouse in Enterprise.

Commission Adopts \$2.9 Million Annual Budget

The Coffee County Commission held an adjourned meeting on Friday, September 30, and adopted a budget for the 1983-84 fiscal year that was just below the \$3 million mark.

The budget is approximately \$400,000 higher than last year's and includes a six percent across-the-board pay increase to all county employees.

"A lot of time and hard work was spent on this budget," said Probate

Judge Marion Brunson, "and I think it's a good one. It is a sound, practical budget with no fat."

Not included in the budget was money expected to be received in revenue sharing funds. The funds, which totaled \$151,000 last year, have yet to be approved at the national level. If received, the funds will once again go to public safety.

Landfill To Remain Open Until 6 P.M.

Coffee County Engineer Frank Charlton advises county residents that the landfill will be open 7 a.m. - 6 p.m. Monday - Friday each week for disposal of garbage.

The landfill is located on Highway 51

(off Highway 167) and left on County Road 40.

County residents may deposit garbage in the landfill at no charge until further notice.

City, county and state officials were on hand last Friday, September 30, to take part in ground-breaking ceremonies for a new elementary school to be built in Kinston. The new school will be built adjacent to Kinston High School and will be open for the 1984-85 school year.
